

If a fish had ears, it
would wear swim plugs from
Physicians Hearing Services.

Summer days and swimming pools. The two just go together. And if you're going into the water, protect your ears with custom swim plugs fitted for you by the professionals at Physicians Hearing Services.

Choose from the brightest, most comfortable swim plugs available. They come in your choice of rainbow colors, they float and they're made just for you.

Ask about our custom swim plugs and other accessories at Physicians Hearing Services.
